*Congratulations to the Class of 1983*Now that vacation time is here, it is time to have your tires checked by the Tire Service Specialists at Webb's Tire Company, Inc. Proper air pressure, wheel rotation, and balancing is recommended for trouble-free tire operation.

FREE WHEEL ROTATION

With Purchase of Four Computer Spin Balances

Computer spin balancing is better because it is "two-plane" balancing. "Two-Plane" balancing takes care of both up and down balance and side-to-side balance. It is essential in correcting vibration problems in today's radial tires! We have the equipment to correct your vibration problems! COME BY TODAY.
